.- I very much regret to have to ask you to consider my despatch No. 919 of the 20th instant as unwritten, and to lok up in his present report as taking its place. 2.- I have now gone into the matter care fully, and find that the falling off of importations of Opium at these Stations during the March quarter of this year, as compared with the corresponding period of 1888, was a little under 306 piculs, representing a loss of Revenue of no less than Hk. Tis. 33,653, or an average of Hk. Tls. 11,218 a mon. h. Bringing the comparison more up to date, I find the figures for the months of April less serious decresse, and would indicate a healthy recovery in the trade. For April Revenue of Hk.
